

**Strategic Plan-Congregation Survey**

**Our church is in the process of developing a five year strategic plan. We believe it is essential that each member have an opportunity to participate in helping us shape our future. Therefore, we request that you complete this brief survey. Please rate how we are doing today and why you feel this way. Then recommend what changes you think we should make in the future. Please rate all areas you know on a scale of 1 (not satisfied) to 5 (exceeds expectations). If you don't believe you are familiar with an area please leave it blank. After completing the survey form please mail it or deliver it to the Church Office or hand it to an Usher.**
